ASIAN FILM SERIES – MONDAY MOVIE NIGHTS at the POP-UP TEAHOUSE BERLIN

This ASIAN FILM SERIES is an initiative by scholarship holders of Konrad-Adenauer-Stiftung (KAS), led by Pisen Sou, Global Communications student (MA) at the University of Erfurt. It is supported by the Asia-Pacific Department of KAS. Connecting communities via visual stories is a powerful way to build an understanding of societies in their different cultural, societal and historical settings. Besides watching the films together, the evenings will also be a space for interaction and discussion facilitated by the hosts. On the part of C*SPACE, Annette Heimann will act as co-host of the series. As an additional highlight rounding off the series we are delighted to welcome the Taiwanese Film Festival again at the Pop-Up Teahouse 2022.

“Cultural exchange and dialogue are the powerful tools for diversity and social inclusion in societies” Pisen Sou, initiator
